Water Meters are read and billed monthly. Bills are due and payable when received. Payments are to be received at the District office on or before the due date. Payments are posted on the date they are received in the District office, not the date post-marked. If payment is not received in this office by the due date, the bill is considered delinquent and a Late Charge of 7% will be added to the bill. If water service is flow restricted due to non-payment of account, the total amount of the bill, plus any additional fees and charges outstanding will be required before restoring service.

Late Charge:	7%	Cost for relocating/increasing/decreasing service or meter consult
